Alterlife Paperback – December 19, 2025

by Milo Prather (Author), Sauli Rauhala (Illustrator)

4.0 ★★★★☆ (3)

Alterlife is a fully illustrated poetry collection that explores ghosts and the afterlife as metaphors for personal trauma. Written over many years of the author's life, these poems weave a story of introspection, recovery, and perseverance that crosses the wilderness of both the American West and Scandinavia. Sweeping landscapes, ecosystems, and natural phenomena are set in parallel to PTSD, self-destructive tendencies, and traumatic memory.

Some good poetry, a few pieces could have used another pass for consistency. The art work is top notch.
